Pick the poster design(s) you want to hype.

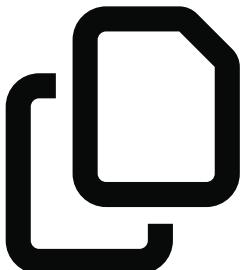

# STEP 2

Print 'em out!

# STEP 3

Make a bunch of photocopies on bright, colorful paper. Feel free to go all 90s indie zine or gig poster on it!

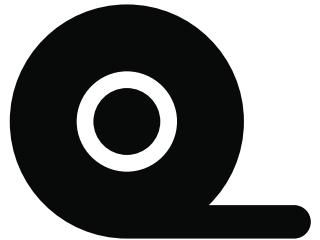

# STEP 4

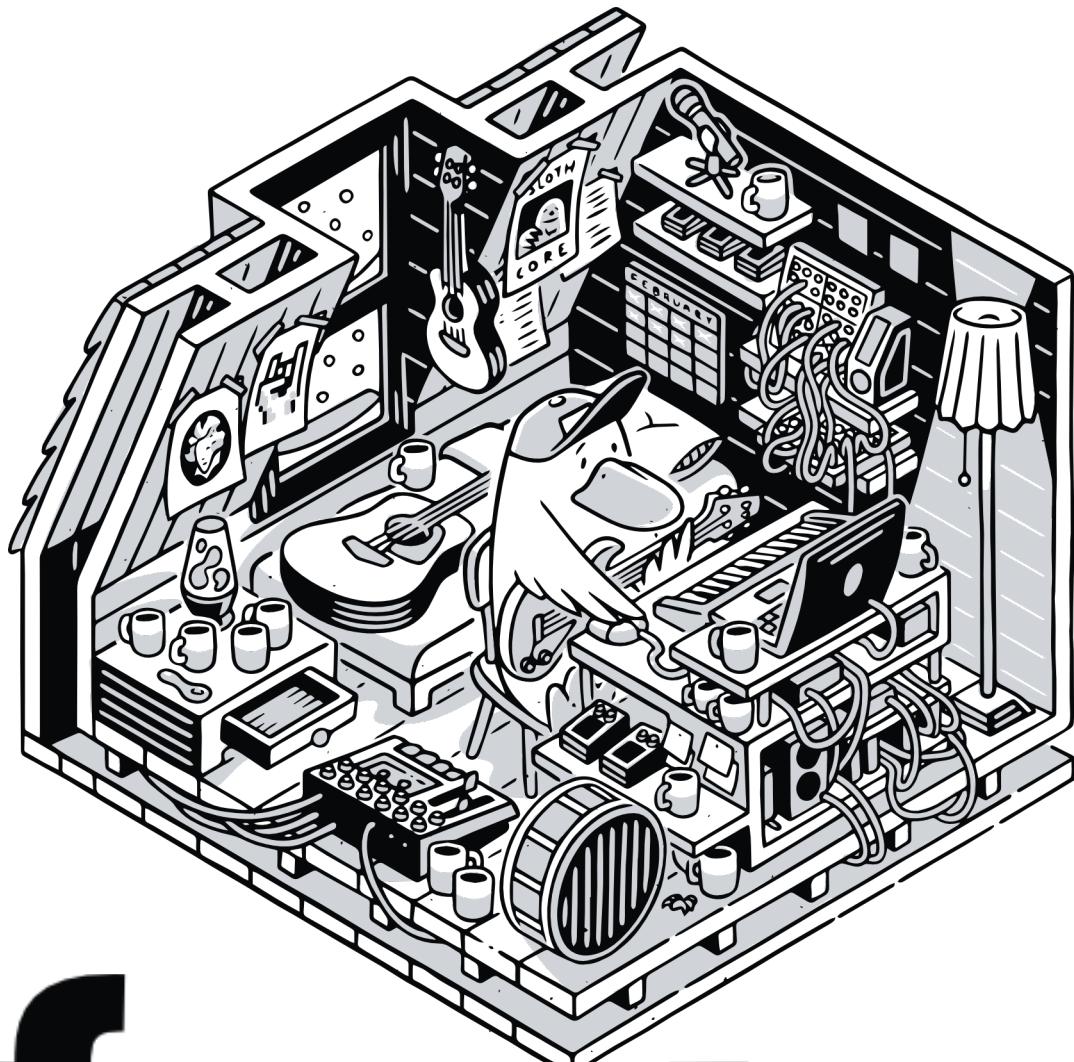

Post 'em to drum up interest all over your city:

Cafés, venues, record shops, music stores, college bulletin boards, your office building, telephone poles, whatever. Ask permission if you aren't sure!
